WORK EXPERIENCE

Super App & Mini App Management CMS
Intern Software Developer – FPT IS

12/2025 - PRESENT

- Architected Mobile CMS for Super App ecosystems using **React Native (Expo) & TypeScript**.
- Engineered **modular component** system and abstract **custom hooks,** maximizing code reusability and maintainability.
- Optimized complex **data workflows** (versioning, bundle management) ensuring high performance and strict **Type Safety**.

GameNect – Social Network App for Gamers
Mobile Developer

8/2025 - PRESENT

- Built a swipe-based **social app connecting gamers** by interests and play styles.
- Led **UI/UX design**, authored **PRD**, and developed **backend/API** with integrated security.
- Enhanced user experience through testing and feedback, adding community features like **chat, friend requests, and smart suggestions**.
